Protecting Your Play

Play, sports, camps and events are fun. They bring people and communities together and build character. But sometimes injuries happen. The injury could be as simple as a sprain; other times it's significantly more severe and life altering.

So the question is – are your clients protected when sponsoring or holding an event? Can they give their participants peace of mind?

Mutual of Omaha Insurance Company offers Participant Accident Medical Insurance for this unique coverage need. We want your clients, their participants and their families to focus on recovery instead of the cost of treatment.

We put together a Top Ten list of reasons you can feel confident about choosing Mutual of Omaha as your Participant Accident Medical Insurance carrier:
